LATIN TEACHER LECTURES ON WORLD SERIES GAME

GOVERNOR DUMMER ACADEMY, SOUTH BYFIELD, MASSACHUSETTS

A Different Kind of School Catalog

This special issue of the school newsmagazine, the *Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of the *Archon* published during the school year just past.

The last three pages carry a roster of trustees, faculty and students for 1948-49.

Volume 36

SOUTH BYFIELD, MASSACHUSETTS, JULY 1, 1949

Number 6

SENIORS MAKE EXCELLENT COLLEGE ADMISSIONS RECORD

In June 1949, Governor Dummer graduated 63 boys, of whom 58 were seniors and five were postgraduate students. As this issue goes to press (June 20, 1949), 55 boys have already been admitted to college, of whom all but two were admitted to the college of their official first choice. Four more candidates will probably be admitted soon. Two seniors who were not admitted, as well as two other seniors who were not college candidates this year, will return to Governor Dummer next year as postgraduates.

The school is very proud of this record because of the severe competition which exists today for entrance to college, particularly to those colleges which enjoy the highest reputation. For this reason, we are listing below all those colleges for which we had more than one candidate this spring. Almost all of these colleges require College Board examinations. Only those colleges which represent the official first choice of each candidate are named below:

	<i>Admissions to Date</i>	<i>Applications</i>
Harvard	7 boys out of 8	
Dartmouth	6	7
Yale	5	5
Amherst	4	4
Bowdoin	3	4
Brown	3	3
Middlebury	3	3
University of Virginia	3	3
Williams	2	3
Colby	2	2
Princeton	2	2
Colleges named "first choice" by only one can- didate each	12	13

TESTING PROGRAM GREATLY ENLARGED

Membership in the Educational Records Bureau and an enlargement of the Academy's fall testing program are new features of the academic life of the school.

The purpose behind these changes was to

(Continued on Page 9, Column 2)

GRADUATES ARE WIDELY DISTRIBUTED IN COLLEGES

It is interesting that the distribution in colleges of the Class of 1949 (see article at left) differs only slightly from other post-war classes. The list below covers the last four classes, i.e., '46, '47, '48, '49, and includes all colleges which seven or more Governor Dummer graduates have entered during the four-year period.

Harvard	32
Amherst	16
Dartmouth	14
Brown	12
Colby	11
Yale	10
University of Virginia	10
Williams	9
Bowdoin	8
M. I. T.	7
All other colleges	73

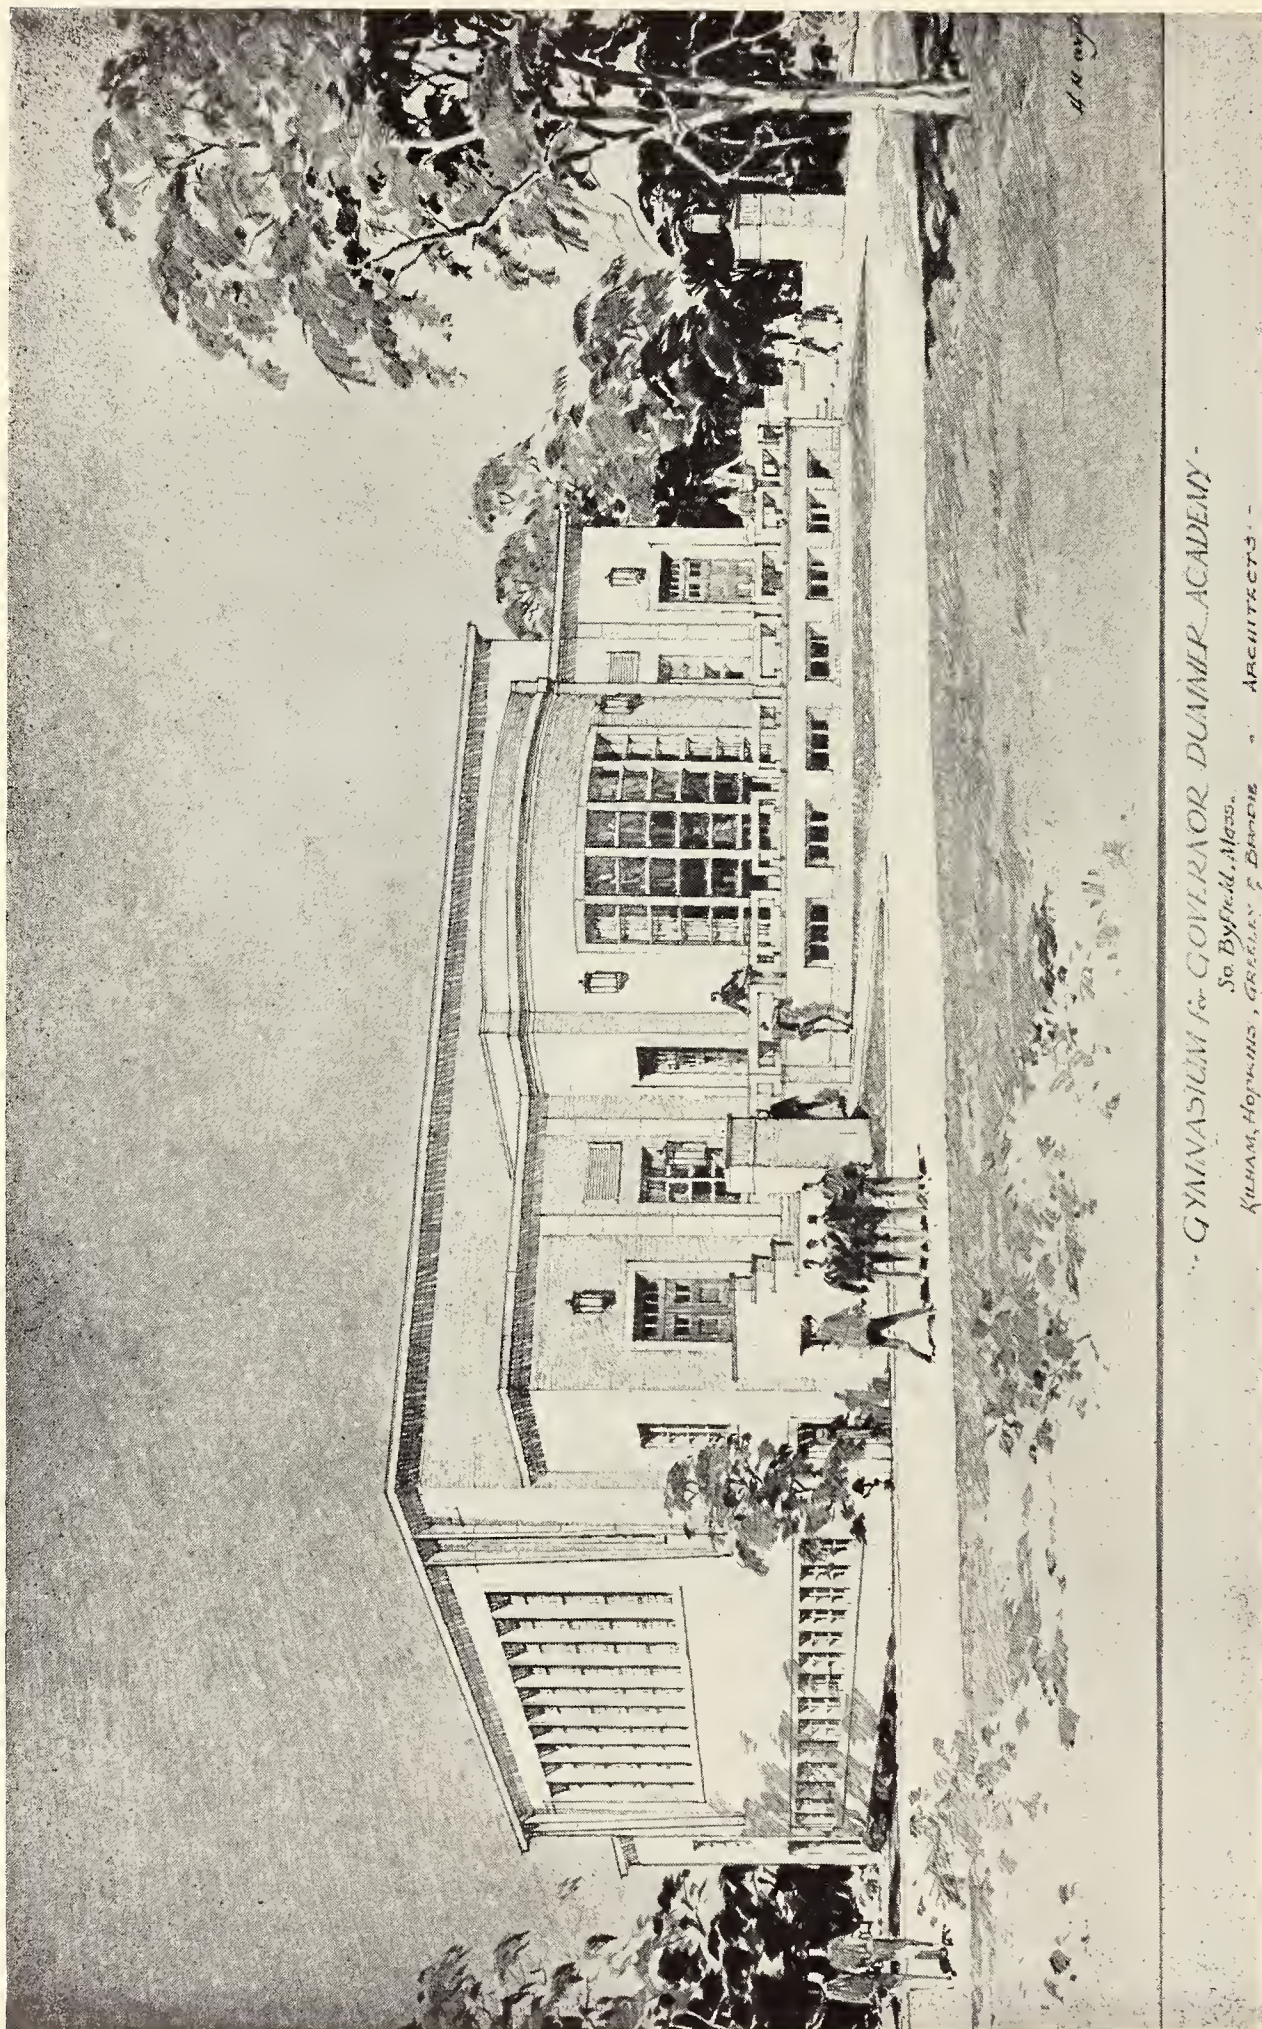

Total admitted in four-year period 202

ENROLLMENT REACHES NEW HIGH

Wide Geographic Distribution

Governor Dummer opened its 186th consecutive year on Tuesday, September 21, 1948, with a capacity enrollment of 214 boys. Ten additional rooms in the new wing of Peirce made it possible to accept 193 boarders and twenty-one day students.

Twenty-two states and one foreign country were represented on the Academy roster. After Massachusetts, New York had the largest delegation with twenty-six; New Hampshire and Maine followed with thirteen and twelve respectively. Eight came from Ohio and seven from Illinois and Connecticut. Rhode Island and New Jersey each had six. There were four from Texas, three from Pennsylvania, two from Michigan and two from Indiana. Vermont, Minnesota, Oregon, Oklahoma, Missouri, North Carolina, California, Kentucky, and Wisconsin were represented by one student each, as was Sweden.

THE GYMNASIUM FOR GOVERNOR DUMMER ACADEMY -

So. Byfield, Mass.

KILHAM, HOPKINS, GREENE & BROWN ARCHITECTS.

CONSTRUCTION OF ALUMNI GYMNASIUM NOW UNDER WAY

GROUND BROKEN ON APRIL 11

*Hope Held Out for Completion by
January 1, 1950*

On April 9, Mr. Eames announced to the student body the immediate construction of a new gymnasium to honor graduates who served in the armed forces during World War II. The total cost of the building, including grading, walks, drives, parking lot and services, will be approximately \$400,000. The entire amount has been made available by a large number of recent gifts made for the purpose by alumni, parents, trustees, and other friends of the school.

The growth of the Academy in recent years has made the Lang Gymnasium, erected in 1921, inadequate, and the new building, which will provide lockers and dressing rooms for the entire student body of 215 boys, has been sorely needed. Construction by Horn Brothers of Boston began on April 11 in the hope that the building can be completed by January 1, 1950. Favorable weather conditions have made possible very encouraging progress this spring.

Designed by Kilham, Hopkins, Greeley & Brodie of Boston, the new gymnasium will be of modern design. It will be constructed of white brick. Large panels of glass blocks and generous use of Indiana limestone for trim and supporting piers will make the mass of the building less conspicuous.

Access to the main gymnasium floor will be through a memorial entrance hall. The main floor, 75' x 103', will be large enough to permit the use of three cross courts for basketball. The walls will be faced with buff-colored glazed tile, and the ceiling will be acoustically treated.

On the ground floor level, there will be two large general locker rooms, two home team dressing rooms, a visiting team dressing room, a large wrestling room, and officials' dressing room, and a large athletic supply room. Provisions for showers and dressing are generous throughout. Walls are faced with glazed tile and floors are terrazzo.

ALL-WEATHER TENNIS COURTS COMPLETED ON COTTAGE SITE

Work on the two new tennis courts announced by Mr. Eames at the end of the winter term was begun during the spring recess and has now been completed by the Driscoll Company, who built a large number of similar courts at Harvard last year.

The Governor Dummer courts are constructed on a twelve-inch layer of gravel. Two layers of asphalt and stone "hot-top" were laid on the gravel and thoroughly rolled with a power roller. A layer of asphalt and sand was applied next to smooth out minor irregularities in the surface. Next came a layer of cork granules held in place by an asphalt emulsion and finally two layers of asphalt and green paint on which the court lines are painted with so-called "traffic-white."

PUBLIC SPEAKING STUDENTS SPEAK AT ROTARY CLUBS

The Public Speaking course at Governor Dummer, now in its second year, is proving even more beneficial than was expected. Most of the seniors definitely enjoy it; and the underclassmen look forward to it not with dread but with pleasure.

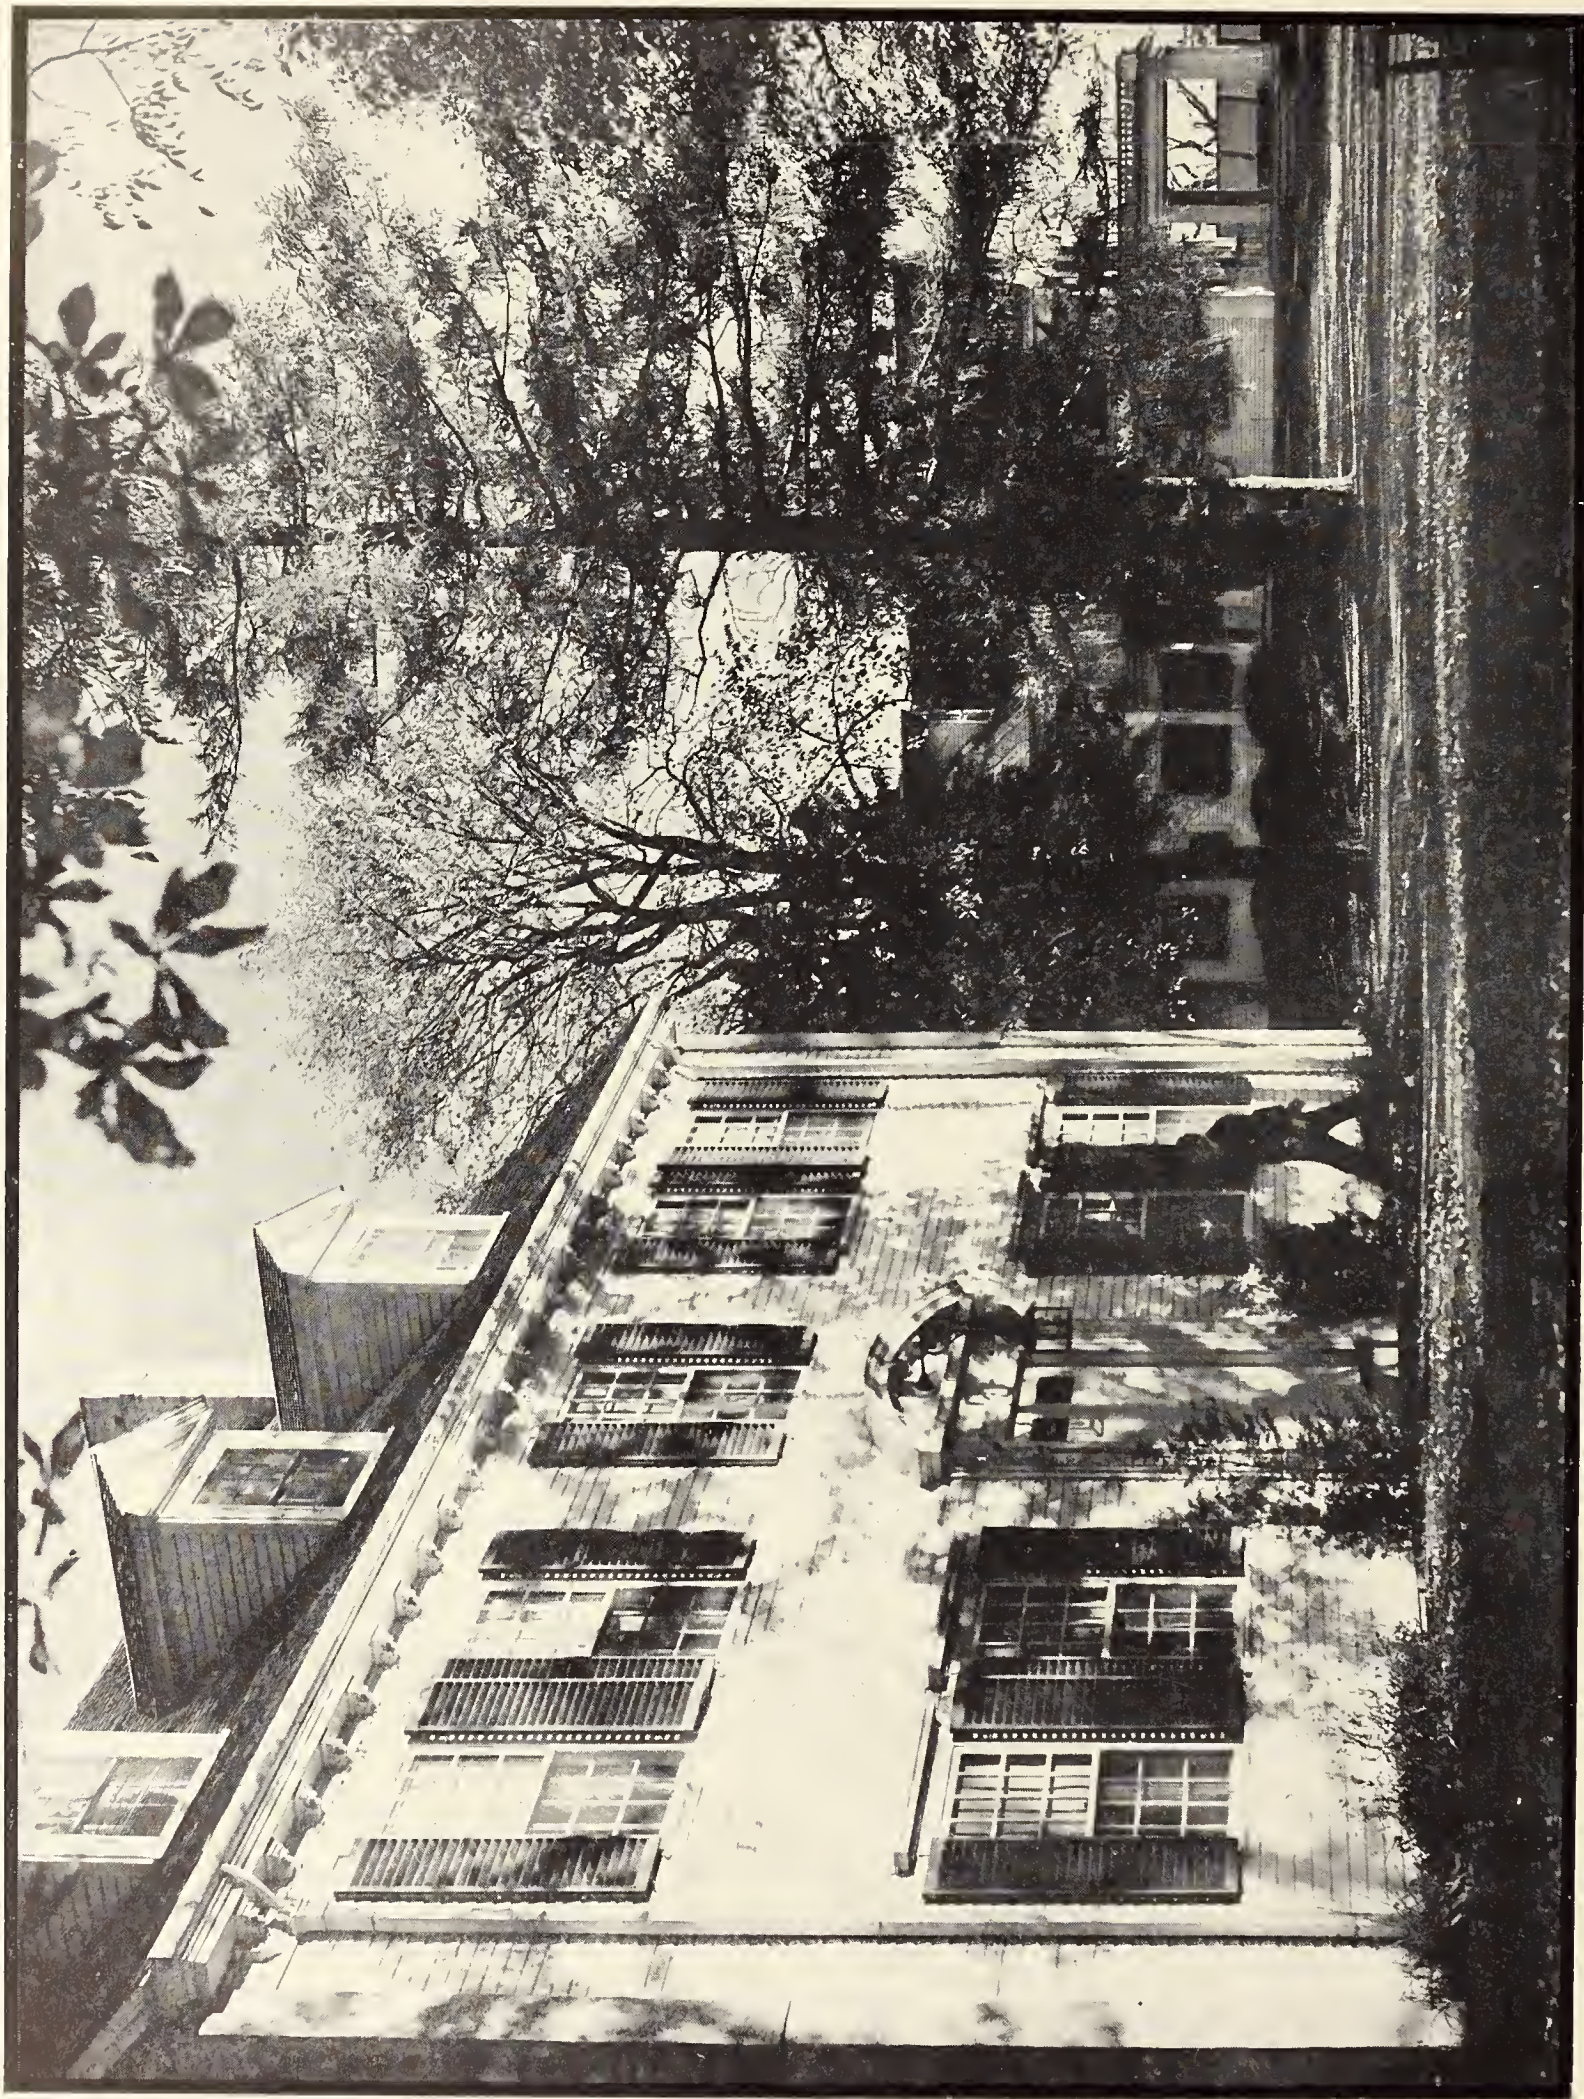

The practice of sending groups of boys to speak at the Rotary and Men's Clubs in neighboring cities has been continued, and the boys are invariably greeted with enthusiasm by the members of the clubs, many of whom express a wish that they could have had the advantage of such a course.

In recent weeks the following boys have spoken before the following clubs:

The Medford Rotary Club: William M. Catlin, William W. Collins, Carlton D. Reed, Jr., Richard M. Tyler, Jr.

The Newburyport Rotary Club: John C. Canepa, William L. Chamberlin, Robinson A. Deering, William T. Johnson.

The Rowley Men's Club: Thomas L. Davidson, Robinson A. Deering, W. Rodman Jennings, William T. Johnson.

THE MANSION HOUSE, BUILT BY LIEUTENANT GOVERNOR WILLIAM DUMMER ABOUT 1716, IS THE HOME OF THE HEADMASTER

JAMES DUNCAN PHILLIPS BUILDING

This building, completed in 1941 and named for the President of the Board, conforms in architectural style to the New England tradition of the school.

CHURCH AND SCHOOL LEADERS SPEAK AT VESPER SERVICES

FALL TERM

Dr. Palfrey Perkins of King's Chapel, Boston.

The Reverend John Nicol Mark of the Unitarian Church, Arlington.

Dr. Sidney Lovett, Chaplain of Yale University.

The Reverend Wallace W. Anderson of the State Street Congregational Church, Portland.

Dr. Morgan P. Noyes of the Central Presbyterian Church of Montclair, New Jersey.

The Reverend Richard J. Schaper of the Byfield Parish Church.

Dr. Robbins W. Barstow, Executive Associate of the Church World Service, Inc.

Dr. Henry M. B. Ogilby of the Church of Our Savior, Brookline.

Dr. Robert Wood Coe of the Leyden Church, Brookline.

Dr. Horace F. Holton, Secretary of the Congregational Board of Pastoral Supply.

The Reverend C. Daniel Boone of the Ascension Memorial Church, Ipswich.

WINTER TERM

Dr. Richard M. Gummere, Chairman of the Committee on Admission at Harvard.

Bishop Henry W. Hobson of the Diocese of Southern Ohio.

The Reverend Nathanael M. Guphill of the First Congregational Church of South Portland, Maine.

Dr. Allan V. Heely, Headmaster of the Lawrenceville School, Lawrenceville, N. J.

The Reverend George F. Dempsie of All Saints Church in West Newbury.

The Reverend Laurence L. Barber of the Orthodox Congregational Church, Arlington.

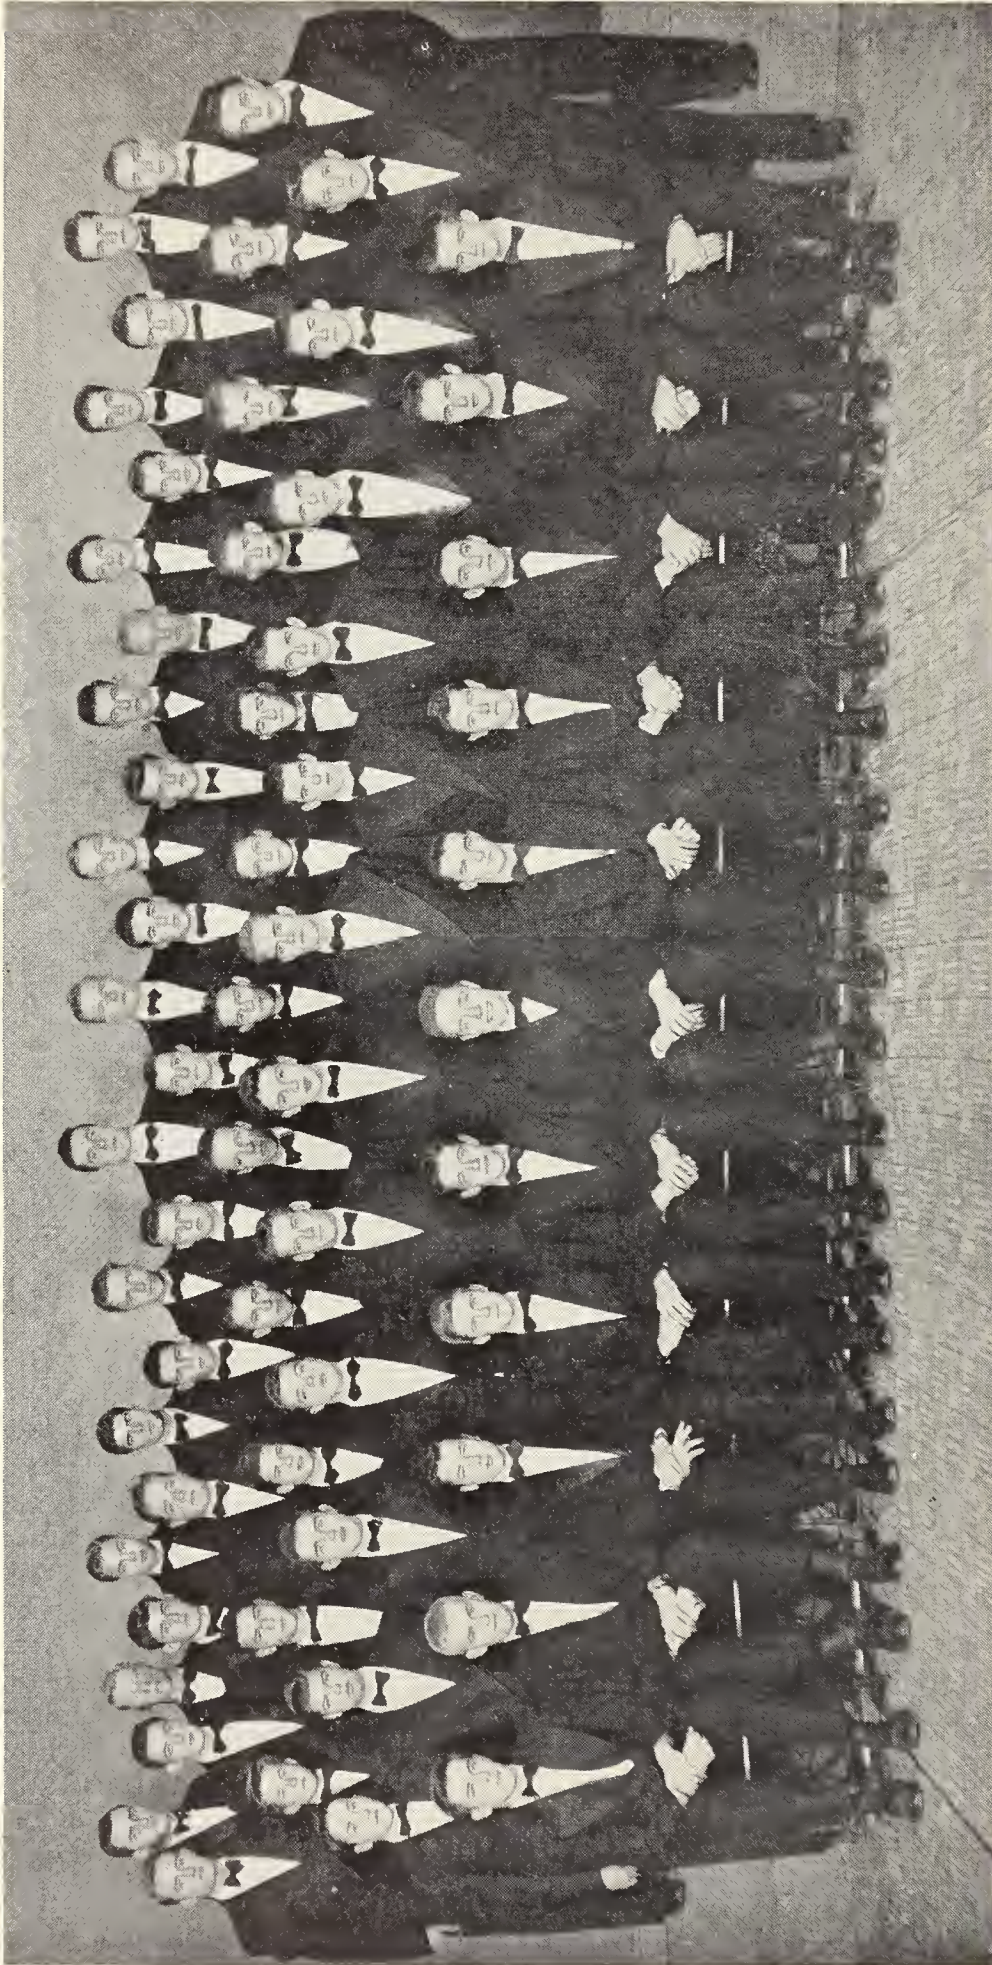

The Reverend A. Graham Baldwin, school minister of Phillips Academy, Andover.

Dr. Herbert Hitchen of the First Unitarian Society in Newton.

SPRING TERM

Mr. James W. Wickenden, Headmaster of Tabor Academy.

(Continued on Page 14, Column 2)

THE GOVERNOR DUMMER ACADEMY GLEE CLUB

The Glee Club is very popular; often there are more candidates for the Club than for football. The 1948-49 schedule included four combined concert; with the girls of Waynflete School, Winsor School, Dana Hall, and Walnut Hill School. The Club also participated with Phillips Academy of An.lover, Phillips Exeter Academy, Milton Academy, three girls' schools, and the New England Conservatory orchestra in a varied program featuring Offenbach's *La Belle Helene* before an audience of 2,000 people in Symphony Hall, Boston.

GLEE CLUB PARTICIPATES IN CONCERT AT SYMPHONY HALL

On Saturday evening, April 16, the Governor Dummer Glee Club participated in the fifth annual New England Preparatory School Music Festival. Seven other schools took part, including the Beaver Country Day School, Milton Academy, Dana Hall School, Walnut Hill School, Phillips Exeter Academy, Phillips Academy at Andover, and the New England Conservatory of Music.

The group, under the able direction of Mr. Malcolm Holmes, Dean of the New England Conservatory of Music, and with the accompaniment of the Conservatory orchestra, presented a very enjoyable program. The selections embodied a wide variety of styles. After opening the concert with an Easter Cantata by Johann Sebastian Bach, the chorus then sang *Alleluia* by the contemporary composer Randall Thompson. Also on the program were numbers by Schumann, Brahms, Haydn, and the finale, *La Belle Helene*, by Offenbach, sung in French.

LOWELL HOUSE MASTER SPEAKS AT CUM LAUDE INITIATION

At a special dinner and meeting on Friday, May 13, the Governor Dummer Chapter of the Cum Laude Society, the national secondary-school honor society which corresponds to Phi Beta Kappa in American colleges, initiated ten new members.

The dinner and initiation ceremony were attended by the new initiates, by the faculty members of the society, and by Mr. James Duncan Phillips, President of the Board of Trustees, and Dr. Arthur W. Ewell, also a trustee, both of whom are honorary members of the society. Later the entire school was assembled to hear the initiation address by Dr. Elliott Perkins, master of Lowell House at Harvard. Dr. Perkins was introduced by Headmaster Edward W. Eames, president of the local Cum Laude Society.

This year the following boys were elected to membership: James G. Bever, S. Kenneth Bruce, Jr., John C. Canepa, Thomas L. Davidson, Bruce M. Denkert, Dana H. Getchell, Allen Hollis, E. William Judson, Thomas Otis, Jr., and Howard D. McIntyre.

Mr. Benjamin Stone, secretary of the local chapter, made the arrangements for the meeting.

ADMISSIONS OFFICERS TALK OF COLLEGE LIFE

During the past year the Academy has enjoyed visits from the admissions officers of a number of colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Most of the representatives have spoken at least briefly at the evening meeting of the school and at greater length to smaller groups after the meeting.

Among those who have visited the school this year are:

Mr. C. William Edwards, Assistant Director of Admissions, Princeton University, on October 20.

Mr. Emery R. Walker, Jr., Dean of Admissions, Brown University, on November 2.

Mr. Eugene S. Wilson, Jr., Director of Admissions, Amherst College, on Nov. 16.

Mr. Stanley V. Wright, Director of Admissions, Middlebury College, on Dec. 1.

Mr. Robert K. Hage, Assistant Director of Admissions, Dartmouth College, on December 2.

Mr. Paul Hazelton, Assistant Director of Admissions, Bowdoin College, on December 10.

Dr. Richard M. Gummere, Chairman of the Committee on Admission at Harvard College, on January 9.

Mr. Frederick C. Copeland, Director of Admissions at Williams, on January 12.

Dr. Edward S. Noyes, Chairman of the Board of Admissions at Yale, on February 2.

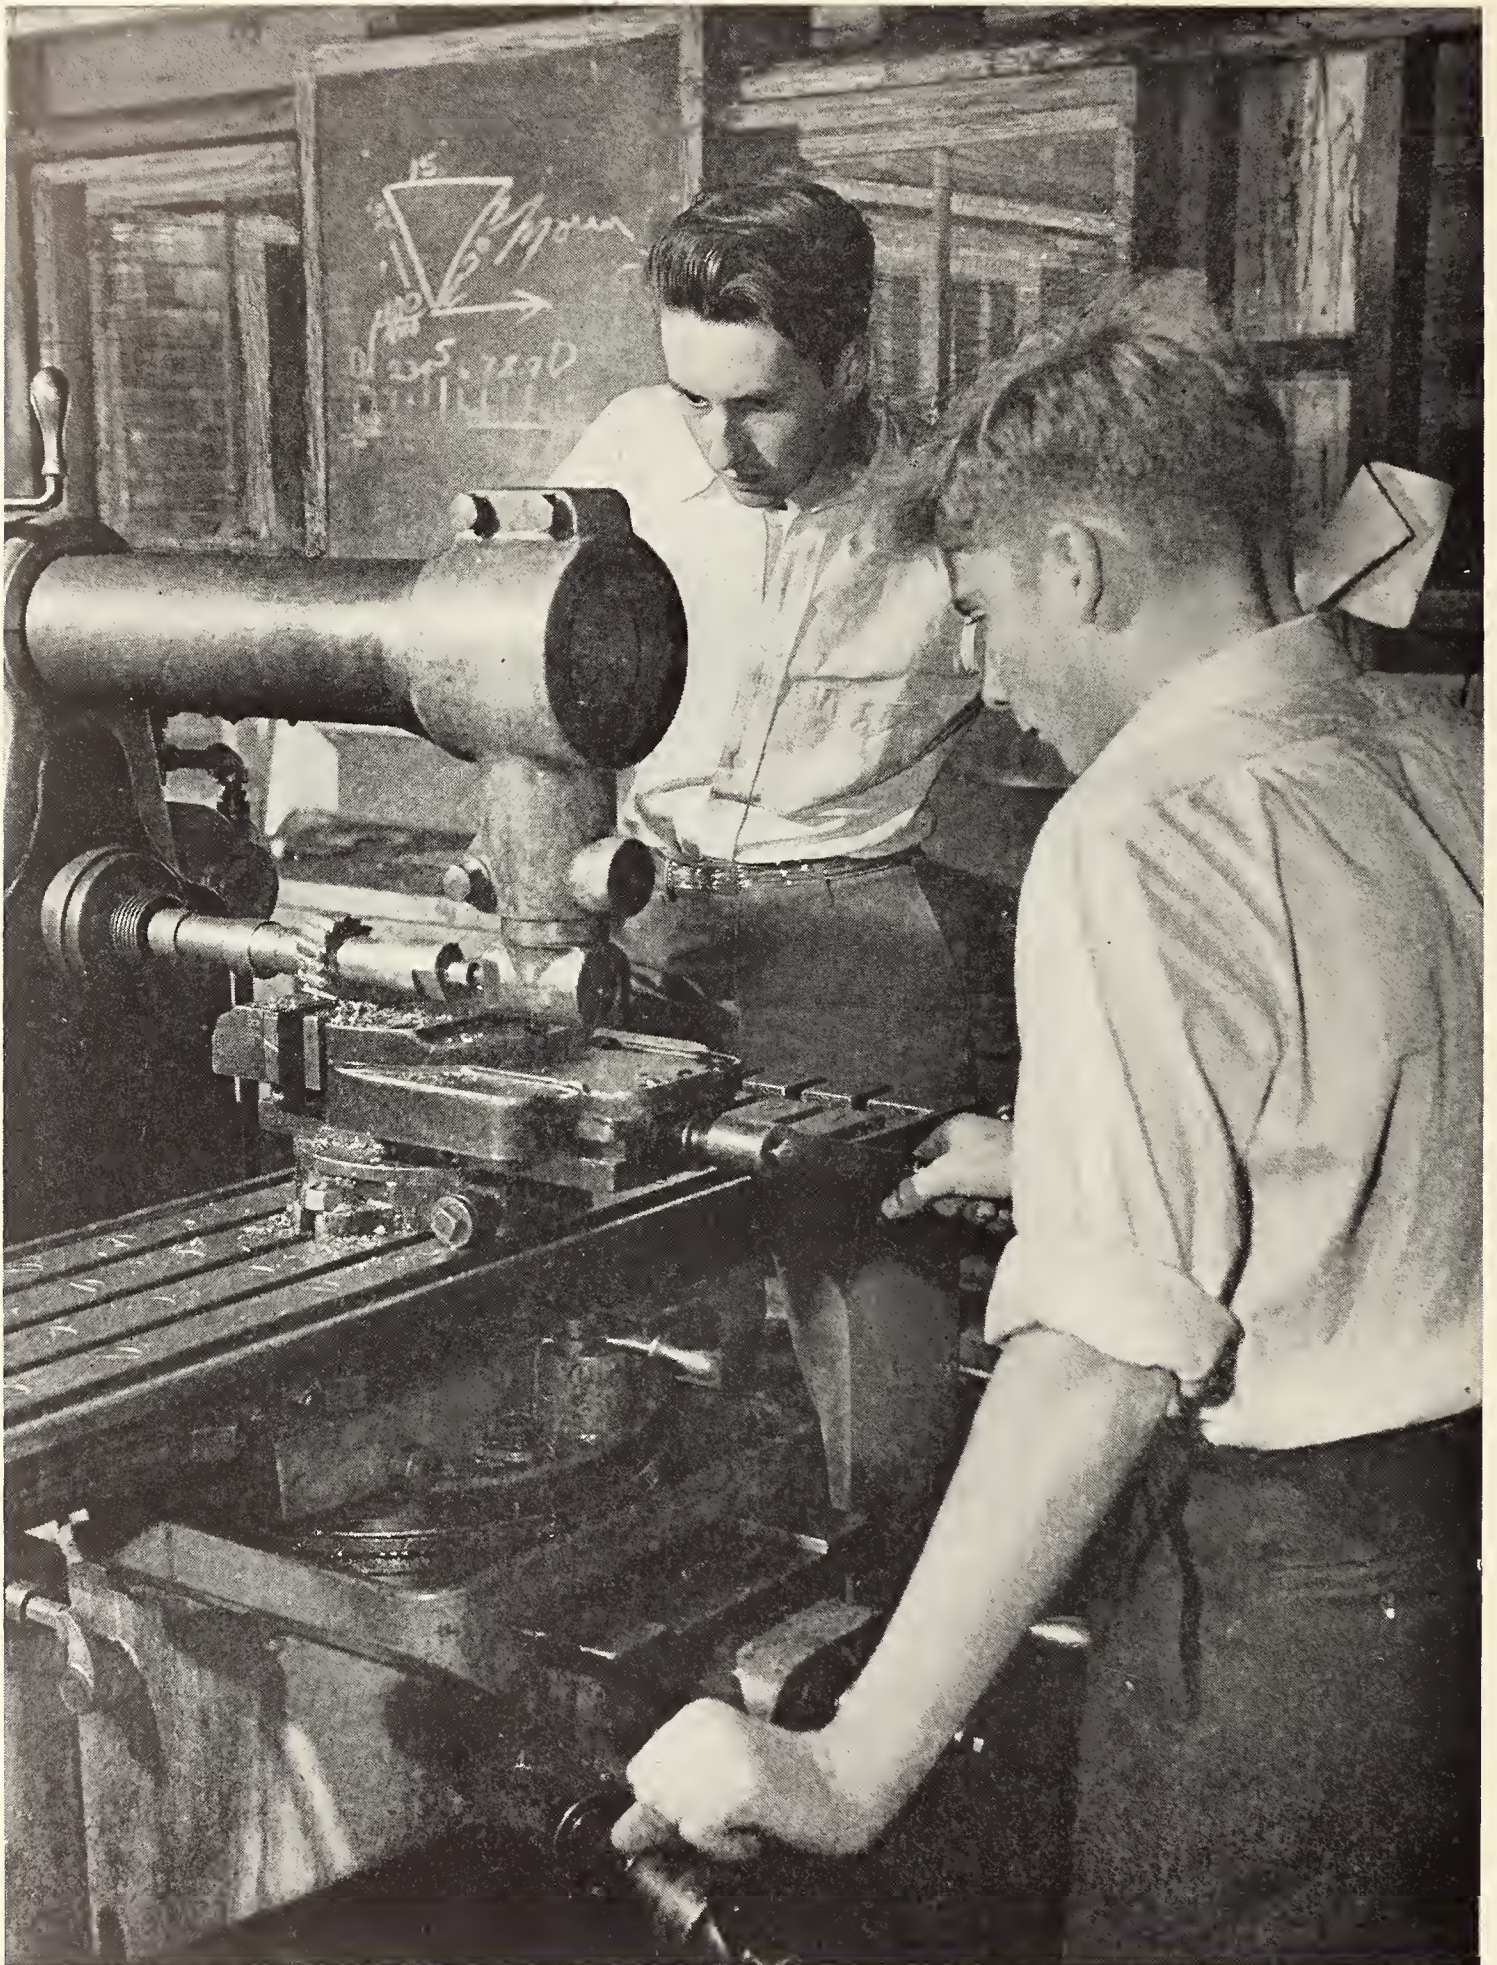

Dr. Blanchard L. Rideout, Associate Director of Admissions at Cornell, on February 2.

TESTING PROGRAM ENLARGED

(Continued from Page 3)

plan a testing program which would be more helpful in determining the aptitudes of each student and which would provide more data to aid the administration in guidance work. The first two Saturday mornings of the school year were devoted to scholastic aptitude, reading, and spelling tests.

The Educational Records Bureau, an organization with offices in New York City, makes a survey of the available standard tests and recommends a balanced testing program to the member schools.

WORK IN THE BOYS' MACHINE SHOP

Two lathes, two drill presses, a grinder, a shaper, and three milling machines have been installed in the boys' machine shop. Here the boys work in metal, make precision tools, and learn the rudiments of gas engines. An experienced instructor is in charge of the shop.

63 SENIORS RECEIVE DIPLOMAS AT 186TH COMMENCEMENT EXERCISES

Governor Dummer's 186th Commencement exercises closed Saturday morning, June 4, with an address by Dr. James Rhyne Killian, Jr., president of Massachusetts Institute of Technology. Mr. James Duncan Phillips, president of the Academy's Board of Trustees, handed diplomas to 58 members of the graduating class and to five post-graduates, and Headmaster Edward W. Eames awarded prizes for the school year.

The graduation ceremonies began on Friday, June 3, with the presentation of the Morse Flag, highest award of the school year, to William Loring Chamberlin of Concord.

After the presentation of the Morse Flag, a Glee Club concert took place in the Lang Gymnasium with Mr. Arthur W. Sager of the faculty conducting. A buffet luncheon was then served on the lawn in front of the Mansion House.

In the afternoon the Governors' varsity baseball team played the Belmont Hill School on Morse Field. Following this game tea was served on the lawn in front of the Mansion House.

The regular Commencement Dinner took place on Friday evening under a large tent on Morse Field. Dr. Claude Moore Fuess, Principal Emeritus of Phillips Academy, Andover, presided on this occasion, and the speakers of the evening were Mr. John P. Marquand, celebrated novelist, and Dr. Robert Russell Wicks, Dean Emeritus of Princeton University Chapel.

CHAMBERLIN NAMED HEAD OF SPRING DANCE COMMITTEE

Governor Dummer Academy's annual *Milestone* Dance took place on the weekend of May 7. The girls arrived at two o'clock in the afternoon and left at twelve noon on Sunday. A special chapel service was held on Sunday morning.

The dance committee was as follows: William L. Chamberlin, Chairman, James Bever, Archer des Cognets, Harry Homeier, Philip Hopkins, Howard McIntyre, Gordon Price, Taylor Pyke, and Donald Wocho-murka.

Georges Trudeau and his orchestra provided dance music Saturday evening.

TEXAS WAS NEVER LIKE THIS
Despite appearances, Joseph G. T. deBerry of Sonora, Texas, is Assistant Manager of football.

ANNUAL SHOW PRESENTED BY SCIENCE STUDENTS

On the eve of the 1949 spring vacation the Science department of Governor Dummer put on a Science Show for the entertainment of both students and guests of the school.

In the Chemistry department several syphon arrangements in varying colors were demonstrated and a ping-pong ball and Shmoo balloon were balanced on an air column. To top this off, Mr. Carruth's hat was set aflame in an amazing cold flame and it came out nearly unharmed.

Finally, the boys in the Physics department did such wonders as making a continuous spark run up a pair of wires and lighting an electric light bulb with a match.

MORE BRIEFLY

Eighty-three members of the Academy English classes went to Boston on Sunday afternoon, October 31, to see the movie of Laurence Olivier's *Hamlet*.

EVENING MEETING IN THE COBB ROOM OF THE PHILLIPS BUILDING

ANNUAL PARENTS' DAY ATTRACTS LARGE ATTENDANCE

On Saturday, October 16, the Academy played host to fathers and mothers of students in observance of its second Parents' Day. The celebration was intended to provide an opportunity for parents to meet the members of the faculty and each other.

The day's program opened at 1:00 p.m. with three athletic events: the varsity soccer team played the Harvard Freshmen on Whipple Field, while the J.V. soccer team met with Georgetown High School on another part of the same field, and the Pony football team played the Brooks School on Morse Field. At 2:30 the varsity football team encountered the Harvard Freshman B team on Morse Field.

A dinner for the visiting parents and faculty was served in the dining room at

SOCCER AND FOOTBALL SQUADS USHER AT HARVARD-YALE GAME

Fifty members of the varsity football and soccer squads served as ushers at the Harvard-Yale football game at Cambridge on November 20. Other ushers were recruited from the Harvard undergraduates.

6:20, followed by a short program in the Cobb Room. At this time Dr. Herbert Ross Brown of the English department at Bowdoin College spoke informally to those present. Mr. Benjamin J. Stone, who serves as registrar as well as head of the mathematics department at the Academy, spoke on the new testing program at Governor Dummer and on reading problems today.

Mr. Eames extended the school's greeting to the visiting parents.

Being the second antique fire engine or "hand tub" purchased by Mr. Eames, the PEPPERELL No. 1 is sometimes called "The Headmaster's Folly", but the boys enjoy reconditioning and polishing it.

EDITORIAL

As boys grow older, more and more responsibility is usually given them both at home and in their schools. How well they can accept each new responsibility is one measure of their development and, incidentally, of their readiness for college.

Shortly after the opening of the winter term, the graduating class here at Governor Dummer was granted a new privilege, the privilege of studying in their own rooms during their free class periods instead of in the large supervised study halls. With this privilege comes the responsibility for getting one's assignments done and for maintaining our scholastic standing.

It is very much to the credit of the class that during the first month of the new privilege the general class average went up one-half point. We have made a very good beginning with this new responsibility and we must maintain the pace for the remainder of the year. If we do, we will be well prepared both for the academic work and the responsibilities that college will bring us.

R.A.D.

HEADMASTER'S CALENDAR

October 4: Presided at meeting of directors of Essex County Y.M.C.A.

October 27: Attended meeting of the College Entrance Examination Board in New York City.

October 28: Spoke at dinner of Salem Marine Society in Salem.

November 12: Gave the address at initiation banquet of Beta Theta Pi at Amherst College.

November 21: Spoke at the regular Sunday vesper service at Deerfield Academy.

December 5: Attended a dinner meeting of the Harvard Board of Overseers' Committee to visit Harvard College.

January 28-29: Attended quarterly meeting of the Amherst College Board of Trustees at the Folger Library, Washington, D. C.

February 4: Addressed dinner meeting of Governor Dummer alumni at Harvard Club of Boston.

February 10-11: Attended meeting of Headmasters' Association in Rye, New York.

May 21: Luncheon speaker at 150th anniversary of Deerfield Academy.

June 9: Gave two graduation addresses, one at Lynn English High School in the morning and one at Lynn Classical High School in the afternoon.

VESPER SPEAKERS

(Continued from Page 7)

Dr. William W. Patton, American Director of the Near East College Association.

Dr. Claude M. Fuess, Headmaster Emeritus of Phillips Academy, Andover.

Mr. Merritt A. Hewett, Registrar at Milton Academy.

Dr. Henry P. Van Dusen, President of Union Theological Seminary, New York.

Dr. Albert Buckner Coe, President of Massachusetts Congregational Conference.

Mr. William G. Saltonstall, Headmaster of Phillips Exeter Academy.

Mr. John Mason Kemper, Headmaster of Phillips Academy, Andover.

The Reverend Kenneth C. Gesner of the First Church in Chestnut Hill.

The Reverend George E. Cary of The First Church of Christ in Bradford.

GOVERNOR DUMMER TO ORGANIZE NEW BAND

Governor Dummer's newly organized band will soon be ready to make its initial appearance. Nearly thirty candidates appeared for the organization meeting, and regular weekly rehearsals are now being held, coached by Mr. Everett D. Sirois of Newburyport, for many years director of both the band and the orchestra at Phillips Exeter. Mr. Sirois is capable of giving instruction in all band instruments.

The Academy has purchased a number of background instruments and the boys have supplied many of their own. Most of the candidates have already had considerable training and experience in band work, and a successful season seems probable. Mr. Robin Goodenough is acting as faculty adviser.

EXCELLENT MOVIES SHOWN

Motion pictures are shown regularly on Saturday nights in the Lang Gymnasium. Among those which the boys have seen this year are the following: *Mr. Blanding's Dream House*, *The Paradine Case*, *The Emperor Waltz*, *The Babe Ruth Story*, *State of the Union*, *Homecoming*, and *Canadian Pacific*.

MORE BRIEFLY

Under the guidance of Mr. Carruth, a group of boys is taking a correspondence course in Radio. The boys meet two or three afternoons a week in Duncan House.

* * *

W. Duer Thompson, III has been elected president of the Camera Club, Robert T. Comey, Jr. secretary, and Peter Brooke Smith treasurer.

BOYS PLAYING ON SCHOOL GOLF COURSE

The Ould Newbury Club golf course is located on school property adjoining the campus.

ATHLETIC TEAMS IN ACTION

THE 1948 SOCCER TEAM

GOVERNOR DUMMER TAKES OPENER FROM GROTON 20-0

Opening their 1948 season on October 2, the Governor Dummer football team defeated the Groton team on Morse Field. Spearheaded by Captain Brock Martin, the Governors were able to roll up a total of 20 points, while Groton was held scoreless.

All three touchdowns were the direct result of long drives. The new and powerful line paved the way as John Canepa scored twice and Bud Reed once. Extra points were added with a place kick by Phil Hopkins and a run by John Canepa.

The coaches noted that this year's team was more advanced than any other Governor Dummer team of recent years had been in the opening game. They attribute this team's superior knowledge of the game and skill in the fundamentals to the fact that, with the exception of one man, the entire starting line-up had seen at least some action with the Governors in preceding years.

ST. PAUL'S SOCCER TEAM DEFEATED BY GOVERNORS

Chalking up their fourth win of the year, the Governor Dummer soccer team defeated the St. Paul's team 4-0 at Concord on November 3.

In the third period Governor Dummer displayed its offensive drive and scored on a hard-kicked shot by Ash Eames. Late in the period Captain Veasey headed in a well-placed center to add another tally.

J.V. AND JUNIOR TEAM AWARDS ANNOUNCED

On the last night before the Thanksgiving recess a special program was planned to give recognition to the J.V. soccer team and the Pony, G-B, and C squad football teams.

After the special Thanksgiving dinner the awards were made by the coaches at a meeting in the Lang Gymnasium.

HARVARD FRESHMEN BEAT GOVERNORS' SOCCER TEAM

The Governor Dummer soccer team, facing a very strong Harvard Freshman team, were out-played 5-1 on Whipple Field, October 16. The Harvard club produced their first marker early in the first period on a headed corner kick. Then during the second quarter the Freshmen added two more goals from another corner kick and a hard-booted screen shot in front of the net.

The Red and White started the second half with an aggressiveness and determination that had been lacking in the first half and scored on a headed ball by Ash Eames with the assist going to John Veasey. In this same period the Harvard team tallied on a headed corner kick and on an outside shot.

WINNING STREAK BROKEN IN LAST FOOTBALL GAME

The previously undefeated Governor Dummer football team dropped the final game of the season on Saturday, November 13, to a strong Tabor eleven at Marion 7-0. The first half was marked by hard and aggressive play by both teams with no scoring and little passing by either. The second half saw Brock Martin break through for numerous long gains which were, unfortunately, called back. Late in the third period Tabor broke deep into the Governors' territory on a pass interception penalty, and in the following plays Tabor was successful in pushing across the ball and adding the extra point to take a lead which they never lost.

The Red and White team staged a marvelous comeback and barely missed scoring when Yates slipped on the five-yard line.

PONIES EVEN SERIES WITH EMERSON SCHOOL

The Pony football team defeated an evenly matched Emerson eleven by the score of 7-6 at Emerson on November 4.

Coming from behind early in the second half, the Ponies scored their only touchdown when Webb crossed the line on an end run. Barry Lougee then plunged for the extra point to give the Red and White a 7-6 lead.

CAPTAIN VEASEY USES HIS HEAD

WINTER TRACK TEAM MEETS EXETER AND ROXBURY LATIN

The revived winter track team has had informal meets for the second year with the Exeter J.V.'s and Roxbury Latin School. Members of the team will also run in the New England Preparatory School Meet at Andover on Saturday, February 26.

The Exeter J.V. meet this winter was held in the Exeter Cage. Governor Dummer won five events and tied for first in another. Exeter won three and tied one. Bob Cushman began by winning the high jump, and Bruce Denkert followed by winning the forty-yard dash and the 600-yard run. Bob Hamel won the low hurdles and the 300-yard dash. Goddard tied for first in the pole vault.

A strong Roxbury Latin team beat the Governors in their second meet, in spite of the good performance of Bob Hamel, who was elected captain before the meet, and of Denkert and Cushman.

ACTION ON THE LACROSSE FIELD

Lacrosse is a popular spring sport sharing the limelight with baseball, track, and tennis. The 1949 varsity won ten games, lost only two.

GOVERNORS WIN ANNUAL BASKETBALL TOURNAMENT

The Governor Dummer basketball team closed an unusually successful season by winning the New England Preparatory School Class B Championship at the Boston Garden on Saturday, March 13.

The first round of the tournament was played at the Arena on Friday, March 12. In that round the Governors faced a less experienced Browne and Nichols quintet and had little difficulty in earning a 45-25 decision and the opportunity to face The Cranwell School in the championship game.

The final game was an unusual one in that the Governors started very fast and enjoyed a fifteen-point lead at the end of the first half. In the third quarter the Cranwell team staged what the spectators believed was a hopeless rally but which temporarily gave them a one-point lead over the faltering Governors.

In the final quarter, however, the Governors rallied and thrilled the crowd with quick baskets by Deering, Jennings, and Canepa. The final score was 47-37.

MATMEN LOSE TO MILTON TEAM WIN AT BROOKS AND ROXBURY

At Milton on February 12 the wrestling team made an excellent showing but lost the meet 21-5. In the 135-lb. class George Tulloch won a decision over a previously undefeated opponent, and Reg Towner, 121 lbs. earned a draw.

At Roxbury Latin on February 5 the Governors won 17-8, and at Brooks on February 17 they led 16-11. In the Brooks meet Jake Brown, 128 lbs., earned a decision over a boy who had thrown all previous opponents.

HOCKEY SEASON OPENS IN LOSS AT MIDDLESEX

On Saturday, January 15, the Governor Dummer hockey team went down to defeat at the hands of a much improved Middlesex team which swept to victory 3-1. Ash Eames scored the only goal for the Red and White team on a solo dash from mid-ice.

HOCKEY CLUB OUTSCORES BROWNE AND NICHOLS TEAM

The Governor Dummer hockey team scored its first victory of the season by defeating the Browne and Nichols team 3-0 on February 5. The game was played on a warm, sunny day and required two rinks, for mid-way in the second period water swamped a large portion of the Morse Field ice and forced a move to the Ingham rink.

The Governors were leading 1-0 at the end of the second period, and at the start of the third, Bowen out-raced the defense and scored to send the Governors into a firm lead. Later in the period Eames scored his second and gave the third and fourth lines a chance to perform, which they did notably.

TENNIS TEAM WINS FROM BROOKS, LOSES TO MILTON

On Wednesday, May 18, the Governor Dummer tennis team defeated the Brooks School in a one-sided match at South Byfield. Not one Red and White player lost to Brooks.

One week earlier the Governors faced a strong Milton team and went under 2-7.

LACROSSE SEASON OPENS WITH VICTORY OVER M.I.T. FRESHMEN

The lacrosse team opened its season by defeating the M.I.T. J.V.'s 18-6, at Cambridge on Saturday, April 16. The Governors took a quick lead by scoring four goals in the first three minutes. From then on the Red and White team held a large lead. Charlie Bowen played a good game in the goal helping to limit M.I.T.'s score to six.

LOSING STREAK BROKEN WITH VICTORY OVER THAYER NINE

Breaking out with a barrage of thirteen hits, the Red and White baseball team finally broke their seven-game losing streak by upsetting a powerful and over-confident Thayer club 6-4 on Morse Field May 28. Before going into this contest the Thayer team boasted a 9-1 record.

SKULL PRACTICE ON THE FIELD

Each player must know where he goes on every play. Here Terry Pyke demonstrates his knowledge by pointing to the spot as Mr. Sager calls the play.

TRACK TEAM COMES FROM BEHIND TO BEAT MILTON

On Saturday, May 28, the Governor Dummer track team met Milton on Morse Field.

With two events left, the Milton team was ahead by two points. However, the Governors grabbed eight points in the javelin with the heaves of Phil Long and Dave Hershey. Coming into the last event, the 220-yard dash, the Red and White had to get either first place or second and third places. In a sensational climax, Denkert and Chamberlain took first and second place and gave the Governors their first victory in ten years over Milton Academy.

THREE ALUMNI HELP HARVARD FRESHMEN BEAT LACROSSE TEAM

Assisted by George Bender, Ned Maroni, and Duncan McCallum of the Governors' 1948 team, the Harvard Freshmen earned a 7-5 victory over the Governors' lacrosse team at Morse Field on April 27.

ONE BIG INNING WINS FOR ST. MARK'S SCHOOL

The Red and White nine lost to a potent St. Mark's team, 12-4, on Morse Field May 11. The St. Mark's aggregation touched three different pitchers for ten singles. The visitors opened the first frame with two free passes and then poled a single which brought home the initial run of the game. This score was evened up by the Governors in their half on two singles and a hit batter. After scoring one run in the first and another in the second, the St. Mark's team went wild in the third, scoring seven runs on four singles, a balk, and two walks off starter Ed Kelly.

Outstanding for the Governors was Captain Ash Eames who found himself at the plate with two for four and had a perfect day in the field.

The game was played under a scorching sun, and Harvard took an early lead and were ahead 3-1 at the end of the first period. But the Red and White team fought back strong and pulled up to a 3-3 tie.

THE ARCHON OF GOVERNOR DUMMER ACADEMY
